On behalf of a grateful nation this flag has been presented to you.

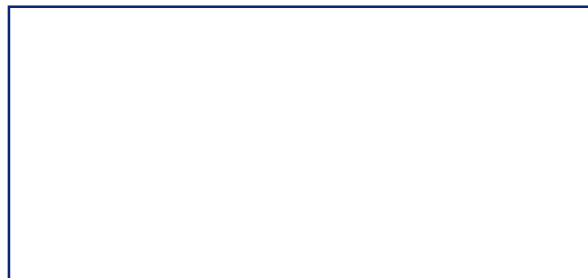

Members of the Armed Forces, firemen, policemen, and patriotic American citizens respect and honor the flag as our national symbol. These patriots believe the flag represents a living country and is itself considered a living thing and the most sacred symbol of our country.

Now it is your duty and responsibility to:

Honor this flag — it is a sign of Honor that few have earned. It should always be treated with respect and reverence and handled with care!

Display this flag — it should be displayed with pride to show and remember the brave American who earned it!

Protect and Preserve this flag — it is a lasting tribute and should be treated with care so it can be handed down to the next generation.
